### *Meals & drinks:*

All main meals, wine and beverages are included for the tour duration. Eat delicious seasonal food and local wines just like the locals do. Don't worry, we won't stop you enjoying another glass of Italian wine or grappa with dinner!

### *Attractions and Tours:*

Entry and participation for all planned tours and attractions are included.

### *Small Group Tours:*

We only conduct small group tours with a maximum of 7 guests per tour, this provides you with an intimate but casual experience seeing the sights of Italy. Why not mark a celebratory year or milestone occasion with close friends and join us as a group?

Our tours can be done as an individual, couple or group.

### *Fitness:*

To get the best from your tour, we advise that you are generally fit and healthy. Whilst we do not participate in any heavy exercise during the trip, we are active in being out and about enjoying the sites and non-strenuous walking.
